

Day Fares

Below are comparison charts, showing how the different prices apply on each coloured journey. If a price for a return ticket is not shown then it is not available. It will be cheaper for you to purchase a single (one-way) ticket and then purchase another single ticket on the return coach. **Fares correct as at 4 April 2011.**

Children aged 5-15 pay half the adult price. Accompanied children under 5 travel free (maximum 2 children per adult) providing they do not occupy seats to the exclusion of fare-paying passengers.

Ordinary fares are available for local journeys between Bracknell and Langley. However, these fares are never more than the maximum single fare for that particular colour (e.g. never more than £3 adult single on Indigo coloured journeys).

Returns are also available for all journeys between Bracknell and Langley.

Holders of English National Concessionary Passes travel FREE EXCEPT:
Cannot use 'Red' journeys to go to London;
Cannot board within London before 09:30.
 (no restrictions at weekends or Public Holidays)

Season tickets are available for regular travellers. Call **01344 782251** or visit **www.rainbowFARES.com**
